Concept Note:

This series aims to bring professionals and practitioners of Sociology and other Social Sciences, working in diverse fields, to a common platform, to offer much-needed insight into what lies beyond formal academic training. Towards this end, the series will have experts, in the online and offline mode, from the development or social sector or NGOs, civil services, public sector healthcare institutions, academia and research to enable students of Sociology and other disciplines have a synoptic view of possible future careers. Session 19. This session, aims to enlighten the students about NET/SET examination and scope of research in social sciences.
