About World Thinking Day

On February 22 of each year, Girl Scouts and Girl Guides celebrate World Thinking Day. Each year has its own theme, such as helping the environment, fighting poverty, achieving gender equality, or making sure everyone has access to education. On this day, Girl Scouts and Girl Guides everywhere will honour their global community by doing activities around this year's special theme on environmental sustainability and alleviation of poverty. World Thinking Day is more than just thinking. It is about knowing that you have the power to make a difference alongside your global community of Girl Scouts and Girl Guides.
