NOTICE

We are happy to announce that the Women's Cell, in association with IQAC, GGDC, Mangalkote, will celebrate Women's Day at Government General Degree College, Mangalkote, as we honor the theme: 'Invest in Women: Accelerate Progress.' In recognition of the invaluable contributions of women to society, we are organizing a special event to showcase their achievements and highlight the importance of investing in their empowerment. As part of the celebration, we are delighted to announce a 'Poster Exhibition' curated by the talented students of our college. This exhibition will serve as a platform to explore and celebrate the diverse roles and achievements of women across various fields. The exhibition will be held in the college seminar hall on 23.04.2024 from 12 noon. All participants must submit their posters on or before 23.04.2024.

Through this exhibition, we aim to raise awareness about the importance of investing in women's education, health, and socio-economic empowerment. By empowering women, we not only accelerate progress but also create a more inclusive and equitable society for all.

We encourage all students, faculty members, and staff to attend this enlightening exhibition and show their support for the advancement of women's rights and gender equality.
