

**GOVERNMENT GENERAL DEGREE COLLEGE,
MANGALKOTE**

IN COLLABORATION WITH

KATWA MUNICIPALITY

REPORT

ON

**‘HAND-ON TRAINING REGARDING
WASTE MANAGEMENT’**

ORGANISED BY: Government General Degree College, Mangalkote

DATE: 18.04.2023

TIME: 11.00 AM ONWARDS

VENUE: KATWA MUNICIPALITY

OBJECTIVES OF THE PROGRAM

- To educate students on the importance of proper waste management and its impact on the environment, public health, and community development.
- To provide hands-on training and practical experience to students on waste management techniques, including segregation, composting, and recycling.
- To encourage students to become aware of their role and responsibility in maintaining a clean and hygienic environment, and to inspire them to become agents of change in their communities.
- To facilitate interaction and collaboration between students and municipal authorities, promoting a sense of ownership and accountability among stakeholders in waste management.
- To equip students with the knowledge, skills, and attitude necessary to design and implement effective waste management strategies in their own communities, promoting sustainable development and environmental stewardship.

NUMBER OF STUDENT PARTICIPANTS - 04

SUMMARY OF THE PROGRAM

The program was a training initiative on waste management for students from Government General Degree College Mangalkote, held at Katwa municipality on 18.04.2023. The program aimed to educate and equip students with the knowledge, skills, and attitude necessary to effectively manage waste and promote sustainable development. Through hands-on training and practical experience, students learned about waste management techniques, including segregation, composting, and recycling. The program also encouraged students to take ownership of their role in maintaining a clean and hygienic environment and inspired them to become agents of change in their communities. The program promoted collaboration between students and municipal authorities, fostering a sense of accountability and responsibility in waste management. Overall, the program empowered students to design and implement effective waste management strategies, contributing to a more sustainable future.

OUTCOMES OF THE PROGRAM

- Students demonstrated a significant increase in their understanding of waste management techniques, including segregation, composting, and recycling.
- Students showed a marked change in their attitude towards waste management, with an increased sense of responsibility and ownership towards maintaining a clean and hygienic environment.
- Community engagement: Students successfully implemented waste management Projects in their own communities, engaging with local residents and promoting Sustainable practices.
- Students established strong links with Katwa municipality, facilitating future collaborations and ensuring the sustainability of waste management initiatives.
- Students replicated the waste management strategies learned in the program in their own colleges and communities, creating a ripple effect of positive change.
- The program achieved its objectives, empowering students to become change-makers in their communities and promoting sustainable waste management practices for a cleaner and healthier environment.

To: The Chairman
Katwa Municipality
Katwa, Purba Bardhaman

Sir,

In pursuance of the MoU between Government General Degree College, Mangalkote and Katwa Municipality related to promoting awareness of and offering assistance in Solid, Liquid, Biomedical, Chemical Waste Management, the undersigned humbly requests you to consider the proposal of **conducting a capacity building/training program-cum-field visit for the students of the college to get hand-on training regarding Waste Management.**

It will be great help for the college if you are able to make such arrangement as per your convenience. Our students will visit the Katwa Municipality with an accompanying teacher on the date chosen by you for such capacity building/training program-cum-field visit.

Thanking you,
With regards,

(Dr. Pradipta Kumar Basu)

TO WHOM IT MAY CONCERN

This is to certify that in terms of the MoU between Government General Degree College, Mangalkote and Katwa Municipality on 25th February 2023, the students of Govt. General Degree College, Mangalkote, Dt. Purba Bardhaman visited Katwa Municipality on 18/04/2023 along with 2 faculties for a capacity building/training program-cum-field visit to get hand-on training regarding Waste Management.

The authority of Katwa Municipality expects more such visits by the college students in the near future so that they can gather experiences that will be helpful for them in building their future careers.
